Pan Adapter Speedline

Project: _____
Item #: _____
Model #: _____

SPECIFICATIONS

G.A. Systems Speedline Pan Adapters are designed to allow large, continuous wells to be divided in order to hold serving pans.

Pan Adapters are constructed of 18 gauge stainless steel and are designed to fit into G.A. Systems Speedline Cabinet wells.

Food pan flange rests on top of pan adapter. Each opening accommodates 1 - 12" x 20" food pan or fractional equivalent.

Contact G.A. Systems Sales Team to ensure the correct Pan Adapter model number for your unique needs.

Pan Adapter as shown on HC68
Speedline Heated/Refrigerated Cabinet.
