CASH STAND OPERATION AND MAINTENANCE MANUAL

Congratulations on the purchase of your new G.A. Systems Mobile Modular Style Cash Stand Cabinet. G.A. Systems would like to thank you for choosing us as your trusted manufacturer.

The Mobile Modular Style Cash Stand Cabinet is designed to accommodate a wide variety of cashier applications.

I. START UP AND INSTALLATION

The Mobile Modular Style Cash Stand requires no outside power source or mechanical set up. Simply roll cabinet into position. If the cabinet is used in conjunction with other "*Speedee-Serv*" equipment, a connector is provided to hold each cabinet together.

II. SERVICE AND MAINTENANCE

Exterior and Interior Surfaces

Clean all surfaces with a standard furniture cleaner or a citrus base cleaner and then wipe dry. **Caution:** **Never use solvent type cleaners, or harsh abrasive polishes on plastic laminate surfaces.**
