G.A. SYSTEMS, Inc.

Display Over Shelf Single Glass

Project: _____
Item #: _____
Model #: _____

SPECIFICATIONS

G.A. Systems Display Over Shelf Single Glass allows you additional space for merchandising, signage and to display and serve prepackaged foods in an elegant way.

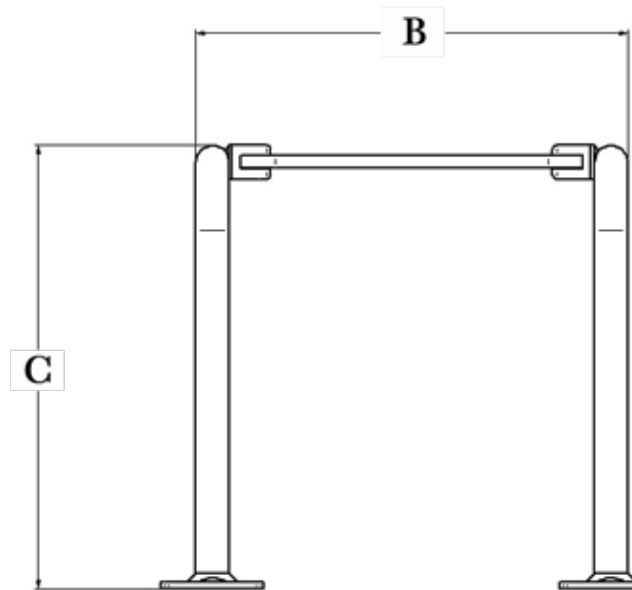

The glass is 1/4" tempered glass with polished edges. Glass is attached to 1-1/2" round stainless steel tubing. The Over Shelf is then top-mounted to top of the cabinet.

Display Over Shelf Single Glass as shown on C4 Refrigerated Speedline Cabinet
